

The Rock and Renew Program is organized by Habitat for Humanity Mid Iowa and other area community organizations. We want to partner with you to improve your community. Rock and Renew experienced professionals and volunteers will work together with you on home and neighborhood improvements projects like:

- Exterior home repair and maintenance
- Landscaping maintenance
- Accessibility
- Weatherization
- Other beautification activities
- Other needs as permitted

Residents interested in participating in the Rock and Renew Program will be actively involved in the work done on their home. Participation will include prep work, working alongside volunteers and other tasks as needed and capable.

If you are ready to participate in the Rock & Renew Program or want to find out more, you can request help by completing an online form at [www.rockandrenew.org](http://www.rockandrenew.org) or send an email to [info@rockandrenew.org](mailto:info@rockandrenew.org) or call Rock & Renew at (641) 792-6432.

If you request services we will be in contact with you to discuss the services requested.
