

Consider donating to library and park through The Sully Foundation

Wednesday, 05 March 2014 21:08

The Sully Library funding will be considerably less starting this summer. Donations can be made to The Sully Foundation to aid the library services. A nonprofit 501(c)(3) organization established in 1983, The Sully Foundation's purpose is to improve the quality of life through community betterment. Besides the library, remember The Sully Foundation for tax-free donations for community projects such as central park rejuvenation, community events, and playgrounds when planning your personal donations or memorial fund of loved ones.

Send donations to PO Box 121, Sully, with a note about the project you wish your donation to benefit. For questions, contact Rod Jansen-secretary-treasurer, Teryl Ver Ploeg-vice president, or Margaret Vander Weerd-president.
