---

The city has arranged for a dumpster at the public works facility (located at the west end of 5<sup>th</sup> Street in the business park) for Sully residents to dispose of leaves/yard waste as an alternative to burning. Acceptable items are leaves and twigs less than one-quarter inch in diameter which must be placed in a biodegradable bag. DO NOT bring these items to the dumpster in a plastic trash bag. Use biodegradable bags only. DO NOT bring normal garbage to this dumpster. There is a \$250 fine for dumping items other than leaves/yard waste. **IF THE RULES FOR USE OF THIS DUMPSTER ARE NOT FOLLOWED, THE SERVICE WILL BE DISCONTINUED!** Your cooperation is needed and appreciated.
