

April 5, 2020      The Diamond Trail Fitness Center is currently closed due to safety concerns surrounding the coronavirus disease 2019 (COVID-19). Iowa Governor Kim Reynolds has mandated that we lock our doors through April 30th. Staff and board members will continue to monitor changes in the mandate while following safety suggestions provided by the Centers for Disease Control and Prevention.      As we're unable to definitively gauge the length of time we'll be closed, memberships and automatic payments will continue as scheduled and account codes will be extended for lost time once we re-open. If you want to discontinue your membership and have a monetary credit issued for the lost time or have any other concerns, please contact the Fitness Center at (641) 594-3555.

Total Rehab will continue to provide services on Monday and Thursdays. Please contact them directly at (641) 594-3303 if you have questions regarding your appointment or health.

The health of our members and community is our top priority. Although we plan to reopen on May 1st, we ask members to check the Diamond Trail Fitness Center Facebook page for updates and alternative workout ideas. We are actively getting the facility ready for re-opening by deep cleaning and sanitizing the facility as well as undergoing miscellaneous maintenance projects. Thank you for the continued support, and we hope to continue to serve the health and wellness needs of our community in the future.

Thank you,

Diamond Trail Fitness Center Board of Directors
