

Trick-or-Treat Night 2020

Friday, 02 October 2020 09:08

Trick-or-Treating in Sully will be Saturday, October 31 from 6:00-8:00 pm. The city suggests following these guidelines for Halloween 2020 participation:

- Keep family/children in a group and do not mix or mingle with other children/families. Maintain a 6-foot distance if waiting to approach a house.
- Candy/treats should be handed out, not presented in a container for everyone to put their hands in and choose from. Alternately, participating households could set out individualized plastic or brown paper bags for children to take.

- Everyone should use their own discretion regarding participation. If you do not feel comfortable handing out candy/treats or trick-or-treating due to COVID-19, you are encouraged to abstain.

- Houses that wish to participate should turn their outdoor lights on.
