

City of Sully
Water and Sewer Inspection and Certification

We, the undersigned, do hereby certify that all water lines and all sewers and drains installed on this date _____ at this location _____ for this owner _____ in Sully, Iowa are installed in a workmanlike manner and without access for surface water, rain water or ground water to the sanitary sewer system. We each and all understand that we may be held liable for costs incurred and may be required to reconstruct the system should it be found in non-compliance to the Ordinances of the City of Sully, Iowa. If problems are not corrected, no water service will be granted. Footing tiles and downspout connections must also be inspected.

Fees: \$50 per hour with a \$25 minimum per inspection
\$25 lost inspection form

There is a 48 business hour notice needed for scheduling an inspection. No inspections will take place on weekends or holidays.
